

## **JIZZSOL COMMUNITY**

Are you just about sick and tired of static Dog, Cat, & Frog memes that do absolutely nothing? Are you ready to have some real fun and laughter in the “Land of Jizz”? Yes, our “Jizzy-Jizz” is dynamic and fast. Sometimes to fast!!!

The \$JIZZSOL Community is a “Fully Transparent & Community Driven” memecoin. No Fake Roadmaps, no VC games, no empty promises. The separator with the \$JIZZSOL Community is truly our organic growth, transparency, and Community involvement from day one!

Here’s How! With the creation of our very own “JizzyTimeMovies” (Copyright), we are also involving the whole Jizz Community in the development and production of future Jizz Adventure Movies. Come join our community and become a potential “JizzyTimeMovies” writer and receive Jizz Token REWARDS if your short movie plot is chosen for production. Once we get to full-time movie production, we plan on releasing at least two(2) short movies per month going forward.

As a member of the JIZZSOL Community, you will be able to submit “funny-ass” short story plots for future Jizz Movies. Come join us and submit your short story today via the email below:

ROADMAP? Once the \$JIZZSOL adoption and volume increases substantially, we will definitely be adding a future “ROADMAP” tab to this Website. Future CEX listings will be a function of our continued adoption & increasing volume over time. (No Empty promises), just execution!

FUTURE JIZZSOL MERCH? Absolutely! Again, once adoption and volume increases substantially, we will definitely be adding a future “JIZZSOL MERCH SHOP” to this Website.

You are so Early! Come Join the JIZZSOL Community with us, and let’s take JIZZY to Billions MC together!
